JAGDEEP MATHARU

IOS ENGINEER

ABOUT

Self-taught iOS Engineer with 2 years of professional experience. Started my journey as Automation developer. Learned my way through and contributed to iOS apps based on EHR.

Created a Movie/TV app and worked as developer and designer - "myLinkReel"

SKILLS

Swift - Writing Swift for 2 years and have worked on multiple codebases in swift. Loved all.

Auto Layout - Experienced in building an adaptable UI for multiple screen sizes.

UI/UX Design - Passion for elegant and intuitive UI/UX. Took on the role of Designer at myLinkReel along with my Engineering duties.
